Kindly address -

Dear Sir:

Our statistics for the year 1919-20 will not be in such a form as to make possible any satisfactory report of them until about the end of October. Meantime, however, I am sending you the Calendars of the various faculties for the current year under separate cover, and I enclose the enrolment for the year 1918-19 and for 1914-15.

Yours sincerely,

President.

Dear Sir:

I am sending you photographs of a medal sent to the University of Toronto from the University of Paris for the part that our staff and students took in making victory possible. The medal itself is bronze.

I quote from the letter which accompanied the medal:

"L'Universite de Paris a decide d'offrir un exemplaire de cette medaille a chacune des Universites des pays alliés de la France: il lui est particulierement agreable d'avoir ainsi l'occasion de remercier l'Universite de Toronto de la part brillante que ses professeurs et etudiants ont prise a la victoire commune: elle vous prie de vouloir bien considerer cette medaille comme un temoignage de son amitie fraternelle.

Yours sincerely,

President's Secretary.

Dear Sir:

I sent you an advertisement to be placed under "Announcements" in your paper of January 17th regarding the University Saturday Lecture delivered by Yone Noguchi. This notice was not inserted in your paper, and I wrote a letter addressed to "The Globe" asking if there was any reason why it was not inserted. To this I received no reply.

On January 26th I mailed you another announcement regarding the lecture to be delivered January 28th by Sir Bertram Windle at the University and to be inserted to-day. This notice does not appear in to-day's paper, and again I would like to know the reason of its not appearing.

As we have two notices appearing each week regarding our lectures there will be no use in my sending down notices for insertion if they are not put in. I shall be obliged if you will kindly look into this and let me know.

Yours sincerely,

President's Secretary.
